

Commissioner,

I am a student at Eldorado High School and am writing this letter in regards to the Downed Animal Protection Act (Docket #98P-0151/CPI). I am aware of what a downed animal is as a result of reading Upton Sinclair's "The Jungle." I am in favor of this act as it promotes the ethical treatment of animals, and changes things that should have changed with the passage of the Food and Drug Act in 1906.

Sincerely,

Nathan Large
